

WHO IS A REFUGEE?

REFUGEES:

A refugee is a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution.

- ❖ **Primary Refugees:** Primary refugees are those refugees whose primary or initial state of resettlement is California.
- ❖ **Secondary Migrants:** These are refugees who move/relocate from states of primary arrival to other states.

ASYLEES:

An asylee is a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution.

PAROLEES:

A parolee is an alien, appearing to inspecting immigration and naturalization services officer to be inadmissible, allowed (paroled) into the United States for urgent humanitarian reasons.

VICTIMS OF TRAFFICKING (VOT):

Victims of trafficking are persons being trafficked for sexual or labor exploitation. Most victims of trafficking are women and girls from third world countries.
